changes that [\\$AAPL](#) has instituted from a platform privacy perspective," says Jared Weisfeld.

3 7 30

**Squawk Box** @SquawkCNBC Jul 27  
[\\$META](#) is set to post earnings after the bell today. The social media giant is expected to report its first ever decline in revenue. [@JBoorstin](#) joins with what to expect:

2 5 17

**Squawk Box** @SquawkCNBC Jul 25  
"I think [\\$META](#) is going to guide down. They have a lot of branding ads and what we saw from [\\$SNAP](#) is branding is not that good," says [@jimcramer](#). "I think [\\$META](#) is an inexpensive stock but any stock that guides down can still go down."

16 3 14

**Squawk Box** @SquawkCNBC Jul 6  
"If you look at large cap, these stocks have gotten crushed. The generals have gotten taken back already and I think a lot of negativity is priced in when you look at [\\$META](#) at 12 times earnings," says [@Jefferies](#)' Jared Weisfeld. "A lot of
